## Get to know the PTA

Sarah Reynolds is the current PTA Fundraising/Marketing Chair. She has three boys at Coal Creek—a fourth grader (Jack), and two second graders (twins, Evan and Ryan). She has a background in non-profit event management and currently works as an event planner/speaker liaison for a higher ed & IT organization called EDUCAUSE. She loves Louisville and Coal Creek Elementary community and is passionate about volunteering in the school to help make it an amazing place for all students. She enjoys running through the foothills with her bouncy boxer dog, Cosmo (and plans to train for the Steamboat

Marathon next June), hiking with her family, traveling, trying new restaurants, reading or binge watching, and sitting with a great cup of coffee (or wine).
