## **Get to know the PTA**

Liz Dial (She/Her) is the current PTA President. She has three children, Jake (6th Grade at LMS), Liam (4th CCE), Annie (1st CCE) and a husband. Liz has a background in Computer Science that she applies to making neat excel spreadsheets. She loves her local community and school and can often be found around the Kindee courtyard talking it up with other parents. On weekends she attends her kids' soccer and football and skiing and swimming events, depending on the season. She loves reading and is making very slow progress on the book she's trying to write in between performing PTA Presidential-type stuff.
